Spring 1935 Price List

GLADIOLUS BULBS

C. H. SOMMER'S GLADIOLUS GARDENS

Rush City, Minnesota

We are pleased to offer herein our very complete list of Sommer's Super Gladiolus, grown in the ideal climatic region of Eastern Minnesota.

Our list contains the best standard varieties and of the new creations of this country as well as of the Foreign lands, each year adding to our list of the new good Glads.

SIZES, Large bulbs will average $1\frac{1}{4}$ inches and over. Medium bulbs from $\frac{3}{4}$ to an inch, averaging about an inch in size. Small bulbs will run about half an inch.

5 BULBS at 10 rate, 25 at 100 rate.

BULBLETS sold in 15c and 25c packages.

All orders for \$1.00 and over prepaid. Not less than 10c sold of any one variety.

Extras on CASH ORDERS. On cash orders of \$2.00 to \$5.00 you may select 10 percent extra in bulbs; from \$5.00 to \$25.00 you may select 15 per cent extra in bulbs; over \$25.00, 20 per cent extra in bulbs. All stock guaranteed true to name. All stock offered subject to prior sale or loss by destruction. Worth while extras with each order.

IT TAKES QUALITY TO WIN. At the State Gladiolus show, St. Paul, August 1934, I competed in 17 classes, won 4 first, 4 seconds, 5 thirds, including second commercial table of 35 varieties. If you want quality bulbs that will produce flowers that you will enjoy, you will make no mistake in trying "SOMMER'S GLADS"

Bulbs shipped in spring unless otherwise instructed. Last spring there was a scarcity of large bulbs all over the country, the dry weather throughout the United States has caused a short crop of large bulbs again this year. Placing your order early gives you the assurance of getting the varieties you desire. The late August and September rains gave us a fine crop of bulbs.

We send out only good clean bulbs. If not satisfied with shipment, return at our expense and money will be refunded.

JOIN THE MINNESOTA STATE GLADIOLUS SOCIETY \$2.00 a year, which includes the American Gladiolus Monthly bulletin and also the Minnesota Horticulturalist. With every new membership mailed through us we will donate \$1.00 worth of Gladiolus bulbs, your selection.

Visitors are welcome to visit our gardens. Besides varieties listed we have other new creations growing which will be offered next season. We are sure that our Flower loving friends will find and enjoy seeing the new and unusual new things in glads.

"L" indicates large bulbs

"M" Medium sized bulbs

"S" small bulbs
